Draws are carried out on site mainly to ensure complete pools. We ask those who are unable to participate in the announcement as soon as possible.

The team competition is conducted in Davis Cup form (best of five matches) and in best of three sets.

The first and second teams from the pool rounds in teams advance to the A-playoffs and the others go to the B-playoffs, which are decided in cup form.

Refreshments will be available in the hall during the competition days. The cheapest daily parking is available in Ullevi's parking garage.
